

3rd World Congress on Toxicology and Applied Pharmacology

Feb. 6, 2020 by BiopharmaTrend

The Toxicology conference is a convergence of various streams as environmental toxicology, clinical toxicology, toxinology, regulatory toxicology, pharmacotherapeutics, drug discovery, ethnopharmacology etc aimed to carve the minds of the attendees with the advancements in every aspect of the vast and vivid fields of toxicology and pharmacology. Strengthen your global ties with the renowned researchers and internationally acclaimed toxicologists and exploit this spotlight on your excelling research.

Salient Features:

- Oral presentations and Keynote speeches by Toxicology experts.
- 50+ plenary talks by researchers all over the globe.
- Opportunity to meet global specialists in Toxicology and Pharmacology
- Remarkable Exhibitions and symposiums.
- Posters, e-posters and video presentation by pioneers of the research community.
- International Certification by Organizing Committee.
- Live Streaming of your lecture in social media platforms and our website pages.
- Publishing accepted abstract in International Journals.

Conference Highlights:

- Toxicology
- Environmental Toxicology
- Clinical Toxicology
- Economic Toxicology
- Regulatory Toxicology
- Genetic Toxicology
- Neurotoxicology
- Toxinology
- Pharmacology

- Applied Pharmacology
- Pharmacotherapeutics
- Pharmaceutics and Medicinal Chemistry
- Drug discovery and development
- Pharmaceutical Microbiology
- Pharmacognosy
- Experimental Toxicology and Pharmacology
- Advancements in Toxicology and Pharmacology

GROUP REGISTRATION

For group registration (05 participants and more) please contact the registration department at toxicology@alliedforums.org | toxicology@alliedtalk.com

Contact Person:

Grace Caroline
Program Manager

Participation as Speaker:

First, you need to submit your presentation (Abstract)
at <https://toxicology.alliedacademies.com/abstract-submission>

Please register through by using the following link to avail early bird discounts

Register at: <https://toxicology.alliedacademies.com/registration>
