

China Focus @ Europe Vienna

March 13, 2019 by BiopharmaTrend

March 27, 2019 | Hilton Vienna Danube Waterfront | Vienna, Austria

In 2018, cross-border M&A activities in life science and healthcare continued to scale up. Europe has become the next popular choice after the US for Chinese pharmaceutical companies to look for technological breakthroughs. China Focus @ Europe Vienna, to be held in Vienna on March 27, is going to bring together decision makers from biotech, pharma and investment to foster and facilitate cross-border collaboration.
